BUY A BRICK!

JOURNEY'S Way
RESOURCES & PROGRAMS FOR PEOPLE 55+

Journey's Way has an exciting and memorable way for you to participate in funding YOUR senior community center: BUY A BRICK. You can permanently honor a loved one on the patio of the new Center at Journey's Way at Pechin and Rector Streets by purchasing a customized engraved paver. Consider sponsoring one or more bricks for a spouse, parent, child, grandchild, or beloved friend or pet. Promote your business or express your organization's support for the services of Journey's Way.

Your tax-deductible contribution of $75.00 will ensure you are a lasting part of the Center at Journey's Way. You can show your support at home or work with a replica paperweight for an additional $15.00. This "mini-brick" is an exact copy of your sponsored paver, and can make a nice gift!
